

January

Welcome back! I hope everyone had a wonderful winter break. This first week back will be a review to help students ease back into our routines. I will be spending time working one-on-one with students and getting them re-settled. Please feel free to let me know if there is anything you'd like to share or anything your child may need. I'm excited to be back together!

Look at what we are learning

Practice writing our abc , name and last names.

Diagraphs Th,Sh,Ch, Wh
