

Dear Beautiful Savior Academy Families,

I want to personally thank-you for considering Beautiful Savior Academy for your child's early learning education. We are committed to providing you and your family with a quality early learning experience. At Beautiful Savior we understand that you are truly your child's first teacher and we are committed to continuing to expand the foundation that you have laid with quality essential experiences to promote growth in all domains; cognitive, physical and emotional. In addition, with exposure to the love of God we are planting the seeds of compassion, understanding, kindness and acceptance. We are thrilled to have your child with us and we look forward to working with you to meet the needs of your child during our time together.

Attached you will find the paperwork required to complete your child's registration. I will also need a copy of your child's immunization record. In addition, there is information and instructions to sign up for the notification system that I utilize for notifications and announcements. This is a one-way system so all personal contact information is kept private. Please complete the packet and return it to me as soon as possible. You can drop it by the office or mail it to:
